

FACT SHEET

# LifeLock with Norton | Benefit Premier

This plan is targeted for release in 06/2019. Prospective product line-ups, features may differ.

LifeLock with Norton Benefit Premier helps provide employees peace of mind with comprehensive protection for their identity, connected devices, and online privacy.

Enhanced features include Bank Account Takeover Alerts<sup>†\*\*</sup> and Three Bureau Credit Monitoring<sup>†\*\*</sup>. If a potential threat is detected in our network, employees are notified via email, text, phone<sup>††</sup> or mobile app alerts.<sup>†</sup>

LifeLock with Norton Benefit Premier also combines leading identity theft protection with device security and protection against online threats to help protect against identity thieves trying to steal personal information from PC's, Macs, and mobile devices. This plan also includes Cloud Backup<sup>†§\*\*</sup> as a preventative measure to losing data due to ransomware, Parental Controls<sup>†\*\*</sup> to help build safe and smart online habits and Password Manager<sup>\*\*</sup> to securely manage your passwords and logins.

## The Symantec Advantage

Everyday things like online shopping, banking and even browsing can expose employee personal information and make them vulnerable to cybercriminals. Since cybercrime has evolved, we've evolved, too. LifeLock, an innovator in identity theft protection and Norton, a pioneer in consumer cybersecurity, are now part of one company: Symantec, the world's leading cyber security company, which protects 86% of Global Fortune 500 companies<sup>‡</sup> and blocks 142 million threats daily.<sup>‡</sup>

Our innovative employee benefit helps protect an employee's identity, personal information and connected devices from the myriad of threats they may face in their digitally-connected homes and workplaces. It's the kind of forward-thinking that helps protect employees rather than just insuring them. LifeLock with Norton Benefit Plans combine leading identity theft protection and device security against online threats, at home and on-the-go.

Trust an employee benefit from brands who've been leaders in identity theft protection and cyber security. If you're looking for a new all-in-one protection for today's connected world, you'll find the Symantec advantage is what you need.

## LifeLock Features

- 

**Online Account Monitoring (NEW)**  
We scan your email, social media and cloud storage accounts for your personal data, so you can remove what you want, giving you peace of mind and greater control over your sensitive information.
- 

**LifeLock Identity Alert™ System<sup>†</sup>**  
It's the foundation for all LifeLock services. We monitor for fraudulent use of your Social Security number, name, address, or date of birth in applications for credit and services. The patented system sends alerts by text, phone<sup>††</sup>, email, or mobile app.
- 

**Dark Web Monitoring<sup>\*\*</sup>**  
Identity thieves can sell your personal information on hard-to-find dark web sites and forums. LifeLock patrols the dark web and notifies you if we find your information.
- 

**LifeLock Privacy Monitor™**  
Privacy Monitor helps reduce public exposure of your personal information. We scan common public people-search websites to find your personal information and help you opt-out.
- 

**24/7 Live Member Support**  
We have live Identity Protection Agents available to answer your questions.
- 

**Fictitious Identity Monitoring**  
We scan for names and addresses connected with your Social Security number to help protect against criminals building fictitious identities to open accounts or commit fraud.
- 

**Credit, Checking & Savings Account Activity Alerts<sup>†\*\*</sup>**  
Help protect your finances against fraud with alerts that notify you of cash withdrawals, balance transfers and large purchases.
- 

**401K & Investment Account Activity Alerts<sup>†\*\*</sup>**  
Investment and retirement accounts are often the lifeline for financial growth. We'll help protect your nest egg from fraudulent cash withdrawals and balance transfers.

(continued on reverse)

## LifeLock Features (continued)

-  **Million Dollar Protection™ Package<sup>†††</sup>**  
If you become a victim of identity theft, we help protect you with our Million Dollar Protection™ Package. This includes reimbursement for stolen funds and coverage for personal expenses, each with limits up to \$1 million, and coverage for lawyers and experts if needed up to \$1 million, to help resolve your case.
-  **Bank Account Takeover Alerts<sup>† \*\*</sup>**  
Smart identity thieves use their computers to take over accounts or add new account holders to existing accounts. LifeLock helps protect your finances by monitoring for these changes.
-  **Checking and Savings Account Application Alerts<sup>† \*\*</sup>**  
Continuously searches for your personal information in new bank account applications at national banks, local banks and credit unions from coast to coast.
-  **Three-Bureau Credit Monitoring<sup>1 \*\*</sup>**  
We monitor key changes to your credit file at the three leading credit bureaus and alert you to help detect fraud.
-  **Three-Bureau Annual Credit Reports & Credit Scores<sup>1 \*\*</sup>**  
Online access to your annual credit reports and credit scores from the three primary bureaus: Equifax, TransUnion and Experian. It's a convenient way to see details of your credit history over the past year.  
The credit scores provided are VantageScore 3.0 credit scores based on data from Equifax, Experian and TransUnion respectively. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.
-  **One-Bureau Monthly Credit Score Tracking<sup>1 \*\*</sup>**  
This monthly one-bureau credit score tracker helps you identify important changes and see how your credit is trending over time.  
The credit score provided is a VantageScore 3.0 credit score based on Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.
-  **Lost Wallet Protection**  
A lost wallet can mean a lost identity. Call us if your wallet is lost or stolen and we'll help cancel or replace credit cards, driver's licenses, Social Security cards, insurance cards and more.
-  **U.S.-Based Identity Restoration Specialists**  
If your identity is compromised, an Identity Restoration Specialist will personally handle your case and help restore your identity.

## + Norton Features

-  **Parental Controls<sup>† \*\*</sup> (NEW)**  
Parental Controls help protect your kids from online predators by highlighting your kids' online activity and identifying potential dangers before they become problems. Easy-to-use tools allow you to set screen time limits, block unsuitable sites, monitor search terms and overall activity history.
-  **Cloud Backup<sup>† \$ \*\*</sup> (NEW)**  
Computers, tablets, and mobile devices store many cherished and important documents from family photos to resumes to tax returns. Norton Cloud Backup provides a safe and secure cloud-based storage to store important files and documents as a preventative measure to data loss due to hard drive failures, stolen devices and even ransomware.
-  **Smart Firewall<sup>\*\*</sup> (NEW)**  
Helps protect your personal files and financial information by monitoring and blocking suspicious network traffic.
-  **SafeCam<sup>† \*\*</sup> (NEW)**  
Your webcam lets you keep in close contact with family, friends or colleagues but can be vulnerable to attack, giving cybercriminals an up-close view into your home, your daily routine, and personal information. Norton SafeCam alerts you to attempts to access your webcam and blocks those who are not authorized to access it.
-  **Online Threat Protection<sup>\*\*</sup> (NEW)**  
Multi-layered, advanced security helps protect against existing and emerging malware threats to your devices, and help protect your private and financial information when you go online.

<sup>1</sup>-If your plan includes credit reports, scores, and/or credit monitoring features ("Credit Features"), two requirements must be met to receive said features: (i) your identity must be successfully verified with Equifax; and (ii) Equifax must be able to locate your credit file and it must contain sufficient credit history information. IF EITHER OF THE FOREGOING REQUIREMENTS ARE NOT MET YOU WILL NOT RECEIVE CREDIT FEATURES FROM ANY BUREAU. If your plan also includes Credit Features from Experian and/or TransUnion, the above verification process must also be successfully completed with Experian and/or TransUnion, as applicable. If verification is successfully completed with Equifax, but not with Experian and/or TransUnion, as applicable, you will not receive Credit Features from such bureau(s) until the verification process is successfully completed and until then you will only receive Credit Features from Equifax. Any credit monitoring from Experian and TransUnion will take several days to begin after your successful plan enrollment. Please note that in order to enjoy all features in your chosen plan, such as bank account alerts, credit monitoring, and credit reports, it may require additional action from you and may not be available until completion.

No one can prevent all identity theft or cybercrime.

<sup>†</sup>We do not monitor all transactions at all businesses.

<sup>‡</sup>Not all features are available on all platforms. Norton Family Parental Controls, Norton Cloud Backup, and PC SafeCam are presently not supported on Mac OS.

<sup>\*\*</sup> These features are not enabled upon enrollment. Member must take action to activate this protection.

<sup>†††</sup> Reimbursement and Expense Compensation, each with limits of up to \$1 million for LifeLock with Norton Benefit Premier. And up to \$1 million for coverage for lawyers and experts if needed, for all plans. Benefits provided by Master Policy issued by United Specialty Insurance Company (State National Insurance Company, Inc. for NY State members). Policy terms, conditions and exclusions at: LifeLock.com/legal

<sup>§</sup> Requires your device to have an Internet/data plan and be turned on.
